NOTICE: Expunged Records or Request for Copy of Expungement Order

If a record did exist, and was expunged (a copy of the original expungement order is provided to the individual whose record is expunged), the record no longer exists with the Court. The expungement order itself must be destroyed by the court clerk, along with the other public records that are required to be destroyed, pursuant to the expungement order.

To request accommodations ,
please contact (615) 862-4260
