DOCKET NO. _____

PETITION TO ENTER PLEA OF GUILTY

I, the above named defendant, pursuant to Rule 11 of the Tennessee Rules of Criminal Procedure, respectfully state to the Court as follows:

1. My full legal name is _____.
2. I am represented in this case by a lawyer and the name of my attorney is _____.
3. I received a copy of the indictment or information, which states the charge(s) against me, before I was required to plead to the charge(s). I have read and discussed the indictment or information with my attorney.
4. I have told my lawyer everything I know about the facts and circumstances surrounding the charge(s) against me.
5. My lawyer has told me and I understand the definitional elements of the crime(s) I am charged with; that is, my lawyer has explained to me what the State has to prove beyond a reasonable doubt to convict a person of the offense(s).

My attorney has also informed me in detail and I understand what the State's evidence against me would be in regard to the charge(s).

My lawyer has explained all possible defenses I might have.

My attorney has counseled and advised me on all of these matters and I understand them.

Thus, I believe I presently understand every charge against me.

6. My attorney has told me and I understand that the punishment I could receive, including both possible incarceration and/or fine, is:
[Set our range of punishment for offense(s) charged and pleaded to, if different.]

7. My attorney has explained that the Court will consider each count of each indictment or information to which I plead "GUILTY" as a separate offense, and may order that I serve the sentences for multiple offenses consecutively, that is, one after the other.
8. I understand that in making its sentencing determination the Court will consider all of my prior criminal convictions.
9. I understand that the Court's authority to impose punishment is the same if I plead "GUILTY" as it is if I plead "NOT GUILTY", have a jury trial, and am convicted.
10. My attorney has discussed with me whether I am eligible for alternative sentencing, including probation. I understand my attorney's statements on this issue. Although, if eligible, I hope to receive probation or other alternative sentencing, I agree to accept any punishment which the law permits the Court to impose.
11. I understand that the Tennessee Constitution guarantees me the right to have any fine greater than fifty dollars (\$50.00) set by a jury. I wish to give up that right and want the Court to set any fine which is part of my punishment.

12. My attorney has explained enhanced sentencing to me, and I understand that if I am presently eligible for enhanced sentencing, I have a statutory right to a delay of ten (10) days after the State files a notice of intent to seek enhanced punishment before the Court accepts my plea of "GUILTY". I hereby acknowledge that I am subject to enhanced sentencing as a multiple, persistent and/or career criminal, and give up my right to the filing of such notice and/or to some or all of the ten (10) day waiting period before conviction.

13. I understand that my plea of "GUILTY" will be a criminal conviction on my record, and that if I am convicted of any crimes in the future, this conviction may be used against me as a basis for giving me greater punishment for the future conviction(s) as a multiple, persistent and/or career offender.

14. I understand that I am presumed innocent of the charge(s) against me, and if I went to trial, the presumption would remain with me throughout the trial unless and until overcome by all of the evidence presented by the State.

15. I understand that I have the right to plead "NOT GUILTY" to any offense(s) charged against me and to persist in that plea, and that if I choose to plead "NOT GUILTY" the Constitution guarantees me (a) the right to a speedy and public trial by jury; (b) the right to see, hear and cross-examine all witnesses against me; (c) the right to use the power and process of the Court to compel the production of any evidence, including the attendance of any witnesses, in my favor; (d) the right to have the assistance of counsel in my defense at all stages of the proceedings; and (e) the right to remain silent and not testify, and that my silence cannot be used against me. I understand that if I plead "GUILTY" I will be waiving my right to a jury trial and to the other rights set out above.

16. I understand that by pleading "GUILTY", I am giving up the right I would have if I were convicted by a jury to have an appellate court review the basis of my conviction.

17. I understand that in conjunction with my plea of "GUILTY" I may be asked questions about the offense(s) and if I answer those questions under oath, on the record, and in the presence of my attorney, and do not tell the truth, my answers could later be used against me in a prosecution for perjury, which is a crime punishable by incarceration and/or fine.

18. I declare that no government officer or agent (federal, state or local), or any other person, has made any promise or suggestion of any kind in exchange for my plea of "GUILTY", with the exception of the agreement between me and the State's attorney to recommend to the Court the plea and punishment set out in paragraph twenty-two (22) below.

19. I declare that no person has pressured, forced, threatened, or intimidated me into pleading "GUILTY".

20. I believe my lawyer has done everything any lawyer could have done to represent me and I am satisfied with my legal representation and assistance in this case. I have had no problem communicating with my attorney.

21. I declare that during my discussions with my lawyer about this case, and while I read and/or discussed this petition with my lawyer, I was not under the influence of any alcoholic beverage or intoxicating drug.

22. I know that the Court will not ordinarily accept a plea of "GUILTY" from anyone who claims to be innocent, and with that in mind, and because I make no claim of innocence, I wish to plead "GUILTY" and respectfully request the Court to accept my pleas as follows:
[Set out plea bargain agreement with the State.]

On the basis of my statements in this petition, I request that the Court accept my plea of "GUILTY".

I agree that the Assistant District Attorney General may summarize what the State's witnesses would say if called to testify in this case, and I give up my right to confront and cross-examine those witnesses.

Signed by me in the presence of my attorney, this _____ day of _____, _____.

3. The plea of "GUILTY" as offered by the defendant in paragraph twenty-two (22) of the foregoing petition accords with my understanding of the facts as related to me by the defendant, and is consistent with my advice to the defendant.
4. In my opinion, the defendant's waiver of his/her constitutional and statutory rights is voluntarily and understandingly made; and I recommend to the Court that the plea of "GUILTY" be now accepted and entered on behalf of the defendant as requested in paragraph twenty-two (22) of the foregoing petition.

DOCKET NO. _____

ORDER

This cause came on to be heard before the undersigned Judge upon the defendant's petition to enter a plea of guilty and accompanying certificates of counsel, all of which are attached hereto and incorporated herein by reference. Based on the petition and certificates, and the defendant's responses to questions personally addressed to him/her by the Court under oath, on the record, and in the presence of his/her attorney, together with statements made by the parties' attorneys, the Court finds as a matter of fact:

1. That the defendant understands the nature of the charge(s) against him/her, the nature of the charge(s) to which the plea is offered, the mandatory minimum penalty provided by law, and the maximum possible penalty provided by law.
2. That the defendant understands that he/she has the right to plead not guilty and to persist in that plea.
3. That the defendant has been fully advised and understands his/her right to trial by jury to determine guilt or innocence; that at such trial, he/she has the right to assistance of counsel, the right to confront and cross-examine witnesses against him/her, and the right not to be compelled to incriminate himself/herself or to have an election not to testify used against him/her.
4. That the defendant understands that if he/she pleads guilty there will be no further trial of any kind except as to sentence, so that by pleading guilty, he/she waives the right to a trial and appellate review of the conviction. The defendant understands that if there is a hearing as to sentencing, no jury will be involved.
5. That the defendant understands that if he/she pleads guilty, he/she may be asked questions about the offense(s) to which he/she has pleaded, and that such answers, made under oath, on the record, and in the presence of counsel, may, if untrue, form the basis for later prosecution and punishment for the crime of perjury.
6. That the defendant fully understands that should the Court accept the plea of guilty and the recommended sentence, the sentence will constitute a conviction which, if considered with prior and/or subsequent convictions, may form the basis for enhanced punishment under T. C. A. 40-35-106-108.
7. That the Court after inquiry is satisfied that the plea resulted from prior discussions between the District Attorney General , the defendant, and his/her attorney.
8. That the defendant's plea of guilty, as well as his/her waiver of every right enumerated herein, is voluntary, and not made as a result of force or threats or of promises apart from the plea bargaining process.
9. That from the entire record the Court is satisfied that there is a factual basis for the plea of guilty.

The Court therefore finds that the plea of guilty heretofore entered by the defendant is acceptable to the Court.

IT IS, THEREFORE, ORDERED, ADJUDGED, AND DECREED by the Court that the petition filed herein be, and the same is, in all respects, granted.

State Rules of Court
Rules of the Supreme Court of the State of Tennessee

Sup.Ct.Rules, Rule 13

Rule 13. Appointment, Qualifications, and Compensation of Counsel for Indigent Defendants

Effective: October 26, 2021

Currentness

Section 1. Right to counsel and procedure for appointment of counsel.

(a)(1) The purposes of this rule are:

(A) to provide for the appointment of counsel in all proceedings in which an indigent party has a statutory or constitutional right to appointed counsel;

(B) to provide for compensation of appointed counsel in non-capital cases;

(C) to establish qualifications and provide for compensation of appointed counsel in capital cases, including capital post-conviction proceedings;

(D) to provide for payment of expenses incident to appointed counsel's representation;

(E) to provide for the appointment and compensation of experts, investigators, and other support services for indigent parties in criminal cases, parental rights termination proceedings, dependency and neglect proceedings, delinquency proceedings, and capital post-conviction proceedings;

(F) to establish procedures for review of claims for compensation and reimbursement of expenses; and

(G) to meet the standards set forth in Section 107 of the Antiterrorism and Effective Death Penalty Act of 1996.

(2) The failure of any court to follow the provisions of this rule shall not constitute grounds for relief from a judgment of conviction or sentence. The failure of appointed counsel to meet the qualifications set forth in this rule shall not be deemed evidence that counsel did not provide effective assistance of counsel in a particular case.

(b) Each trial court exercising criminal jurisdiction shall maintain a roster of attorneys from which appointments will be made. However, a court may appoint attorneys whose names are not on the roster if necessary to obtain competent counsel according to the provisions of this rule.

(c) All general sessions, juvenile, trial, and appellate courts shall appoint counsel to represent indigent defendants and other parties who have a constitutional or statutory right to representation (herein "indigent party" or "defendant") according to the procedures and standards set forth in this rule.

(d)(1) In the following cases, and in all other cases required by law, the court or appointing authority shall advise any party without counsel of the right to be represented throughout the case by counsel and that counsel will be appointed if the party is indigent and requests appointment of counsel.

(A) Cases in which an adult is charged with a felony or a misdemeanor and is in jeopardy of incarceration;

(B) Contempt of court proceedings in which the defendant is in jeopardy of incarceration;

(C) Proceedings initiated by a petition for *habeas corpus*, early release from incarceration, suspended sentence, or probation revocation;

(D) Proceedings initiated by a petition for post-conviction relief, subject to the provisions of Tennessee Supreme Court Rule 28 and Tennessee Code Annotated sections 40-30-101 et seq.;

(E) Parole revocation proceedings pursuant to the authority of state and/or federal law;

(F) Judicial proceedings under Tennessee Code Annotated, Title 33, Chapters 3 through 8, Mental Health Law;

(G) Cases in which a superintendent of a mental health facility files a petition under the guardianship law, Tennessee Code Annotated, Title 34;

(H) Cases under Tennessee Code Annotated section 37-10-304 and Tennessee Supreme Court Rule 24, relative to petitions for waiver of parental consent for abortions by minors; and

(I) Proceedings initiated pursuant to Tenn. R. Crim. P. 36.1 and in which the trial court, pursuant to Tenn. R. Crim. P. 36.1(b), has determined that the motion states a colorable claim for relief.

(2) In the following proceedings, and in all other proceedings where required by law, the court or appointing authority shall advise any party without counsel of the right to be represented throughout the case by counsel and that counsel will be appointed if the party is indigent and, except as provided in (C), (D), and (F) below, requests appointment of counsel.

(A) Cases in which a juvenile is charged with juvenile delinquency for committing an act which would be a misdemeanor or a felony if committed by an adult;

(B) Cases under Titles 36 and 37 of the Tennessee Code Annotated involving allegations against parents that could result in finding a child dependent or neglected or in terminating parental rights;

(C) Reports of abuse or neglect or investigation reports under Tennessee Code Annotated sections 37-1-401 through 37-1-411. The court shall appoint a guardian ad litem for every child who is or may be the subject of such report. The appointment of the guardian ad litem shall be made upon the filing of the petition or upon the court's own motion, based upon knowledge or reasonable belief that the child may have been abused or neglected. The child who is or may be the subject of a report or investigation of abuse or neglect shall not be required to request appointment of counsel. A single guardian ad litem shall be appointed to represent an entire sibling group unless the court finds that conflicting interests require the appointment of more than one guardian. For purposes of this subsection, the compensation limits established in section 2 apply to each guardian ad litem appointed rather than to each child.

(D) Proceedings to terminate parental rights. The court shall appoint a guardian ad litem for the child, unless the termination is uncontested. The child who is or may be the subject of proceedings to terminate parental rights shall not be required to request appointment of counsel. A single guardian ad litem shall be appointed to represent an entire sibling group unless the court finds that conflicting interests require the appointment of more than one guardian. For purposes of this subsection, the compensation limits established in section 2 apply to each guardian ad litem appointed rather than to each child.

(E) Cases alleging unruly conduct of a child which place the child in jeopardy of being removed from the home pursuant to § 37-1-132(b); and

(F) Adoption proceedings in which the court appoints a guardian ad litem for the child or children pursuant to Public Chapter 409 of the 111th General Assembly.

(e)(1) Except in cases under Sections 1(d)(1)(F) proceedings under the mental health law, 1(d)(1)(G) proceedings for guardianship under Title 34, and 1(d)(2)(A) juvenile delinquency proceedings, whenever a party to any case in section 1(d) requests the appointment of counsel, the party shall be required to complete and submit to the court an Affidavit of Indigency Form provided by the Administrative Office of the Courts, herein "AOC".

(2) Upon inquiry, the court shall make a finding as to the indigency of the party pursuant to the provisions of Tennessee Code Annotated section 40-14-202, which finding shall be evidenced by a court order.

(3) Upon finding a party indigent, the court shall enter an order appointing counsel unless the indigent party rejects the offer of appointment of counsel with an understanding of the legal consequences of the rejection.

(4)(A) When appointing counsel for an indigent defendant pursuant to section 1(e)(3), the court shall appoint the district public defender's office, the state post-conviction defender's office, or other attorneys employed by the state for indigent defense (herein "public defender") if qualified pursuant to this rule and no conflict of interest exists, unless in the sound discretion of the trial judge appointment of other counsel is necessary. Appointment of public defenders shall be subject to the limitations of Tennessee Code Annotated sections 8-14-201 et seq.

(B) If a conflict of interest exists as provided in Tennessee Rules of Professional Conduct 1.7 or the public defender is not qualified pursuant to this rule, the court shall designate counsel from the roster of private attorneys maintained pursuant to section 1(b).

(C) The court shall appoint separate counsel for indigent defendants having interests that cannot be represented properly by the same counsel or when other good cause is shown.

(D) The court shall not make an appointment if counsel makes a clear and convincing showing that adding the appointment to counsel's current workload would prevent counsel from rendering effective representation in accordance with constitutional and professional standards.

(E) When the court appoints counsel pursuant to this subsection, the order of appointment shall assess the non-refundable administrative fee provided by Tennessee Code Annotated section 37-1-126(c)(1) or section 40-14-103(b)(1). Additionally the court shall consider the financial ability of the indigent party to defray a portion or all of the cost for representation by the public defender or a portion or all of the costs associated with the provision of court appointed counsel as provided by Tennessee Code Annotated sections 8-14-205(d)(1); 37-1-126(c)(2); or, 40-14-103(b)(2). If the court finds the indigent party is financially able to defray a portion or all the cost of the indigent party's representation, the court shall enter an order directing the indigent party to pay into the registry of the clerk of such court such sum as the court determines the indigent party is able to pay as specified by Tennessee Code Annotated section 40-14-202(e).

(5) Appointed counsel shall continue to represent an indigent party throughout the proceedings, including any appeals, until the case has been concluded or counsel has been allowed to withdraw by a court. See Tenn. Sup. Ct. R. 14 (setting out the procedure for withdrawal in the Court of Appeals and Court of Criminal Appeals); Tenn. Sup. Ct. R. 8, RPC 1.16.

(f)(1) Indigent parties shall not have the right to select appointed counsel. If an indigent party refuses to accept the services of appointed counsel, such refusal shall be in writing and shall be signed by the indigent party in the presence of the court.

(2) The court shall acknowledge thereon the signature of the indigent party and make the written refusal a part of the record in the case. In addition, the court shall satisfy all other applicable constitutional and procedural requirements relating to waiver of the right to counsel. The indigent party may act pro se without the assistance or presence of counsel only after the court has fulfilled all lawful obligations relating to waiver of the right to counsel.

EXPLANATORY COMMENT:

Section 1(d)(2)(F) has been added pursuant to Public Chapter 409 of the 111th General Assembly. Section 1(e)(1) has been revised for simplicity and organization. Section 1(e)(2) emphasizes that the finding of indigency must be evidenced by a court order. Section 1(e)(4)(A) is stricter than the former rule and emphasizes that trial courts "shall" appoint the public defender to represent criminal defendants unless a conflict of interest exists or in the sound discretion of the trial court, appointment of another counsel is necessary. Section 1(e)(4)(D) includes a specific standard that must be satisfied before counsel may refuse an appointment. Section 1(e)(4)(E) emphasizes that courts have a statutory duty to assess the administrative fee when appointing counsel as well as a statutory duty to consider whether the indigent party can afford to defray a portion or all of the costs of representation. Section 1(e)(5) clarifies that appointed counsel is obligated to represent the indigent party until a court allows counsel to withdraw. Section 1(f) delineates the rights of indigent parties and the obligations of courts when an indigent party chooses to proceed without counsel.

Section 2. Compensation of counsel in non-capital cases.

(a)(1) Appointed counsel, other than public defenders, shall be entitled to reasonable compensation for services rendered as provided in this rule. Reasonable compensation shall be determined by the court in which services are rendered, subject to the limitations in this rule, which limitations are declared to be reasonable.

(2) These limitations apply to compensation for services rendered in each court: municipal, juvenile, or general sessions; criminal, circuit, or chancery; Court of Appeals or Court of Criminal Appeals; Tennessee Supreme Court; and United States Supreme Court.

(b) Co-counsel or associate attorneys in non-capital cases shall not be compensated.

(c) The hourly rate for appointed counsel in non-capital cases shall not exceed fifty dollars (\$50) per hour for time reasonably spent preparing the case and time reasonably spent before a judge on the case to which the attorney has been appointed to represent the indigent party.

(d)(1) The maximum compensation allowed shall be determined by the original charge or allegations in the case. Except as provided in section 2(e), the compensation allowed appointed counsel for services rendered in a non-capital case shall not exceed the following amounts:

(2) Five Hundred Dollars (\$500) for:

(A) Contempt of court cases where an adult or a juvenile is in jeopardy of incarceration;

(B) Parole revocation proceedings pursuant to the authority of state and/or federal law;

(C) Judicial proceedings under Tennessee Code Annotated, Title 33, Chapters 3 through 8, Mental Health Law;

(D) Cases in which a superintendent of a mental health facility files a petition under the guardianship law, Tennessee Code Annotated, Title 34;

(E) Cases under Tennessee Code Annotated section 37-10-304 and Tennessee Supreme Court Rule 24, relative to petitions for waiver of parental consent for abortions by minors;

(F) Cases alleging unruly conduct of a child which place the child in jeopardy of being removed from the home pursuant to § 37-1-132(b); and

(G) Guardian ad litem representation for the child or children in adoption cases in accordance with section 1(d)(2)(F). Pursuant to Public Chapter 409 of the 111th General Assembly, there is a rebuttable presumption that the guardian ad litem's fees shall be divided equally between the parties, excluding the person being adopted.

(3) One thousand dollars (\$1,000) for:

(A) Cases in which an adult or a juvenile is charged with a misdemeanor and is in jeopardy of incarceration;

(B) Direct and interlocutory appeals in the Court of Appeals or Court of Criminal Appeals;

(C) Direct and interlocutory appeals in the Tennessee Supreme Court;

(D) Cases in which a defendant is applying for early release from incarceration or a suspended sentence;

(E) Non-capital post-conviction and habeas corpus proceedings;

(F) Probation revocation proceedings;

(G) All other non-capital cases in which the indigent party has a statutory or constitutional right to be represented by counsel.

(4) One thousand five hundred dollars (\$1,500) for:

(A) Preliminary hearings in general sessions and municipal courts in which an adult is charged with a felony;

(B) Cases in which a juvenile is charged with a non-capital felony;

(5)(A) Two thousand dollars (\$2,000) for cases in trial courts in which the defendant is charged with a felony other than first-degree murder or a Class A or B felony;

(B) Three thousand dollars (\$3,000) for cases in trial courts in which the defendant is charged with first-degree murder or a Class A or B felony;

(6) Maximum compensation for juvenile dependency and neglect proceedings and termination of parental rights proceedings is as follows:

(A) One thousand dollars (\$1000) for:

(i) Dependent or neglected child cases, from the filing of the dependency petition through the dispositional hearing, including the preliminary hearing, ratification of the initial permanency plan, adjudicatory and dispositional hearings;

(ii) Guardian ad litem representation in accordance with section 1(d)(2)(C) for a child or sibling group who is or may be the subject of a report of abuse or neglect or an investigation report under Tennessee Code Annotated sections 37-1-401 through 37-1-411, from the filing of the dependency petition through the dispositional hearing, including the preliminary hearing, ratification of the initial permanency plan, adjudicatory and dispositional hearings; and

(iii) Counsel appointed pursuant to Tennessee Supreme Court Rule 40(e)(2) and in accordance with section 1(d)(2)(C) for a child or sibling group who is or may be the subject of a report of abuse or neglect or an investigation report under Tennessee Code Annotated sections 37-1-401 through 37-1-411, from the filing of the dependency petition through the dispositional hearing, including the preliminary hearing, ratification of the initial permanency plan, adjudicatory and dispositional hearings;

(B) One Thousand, Two Hundred Fifty Dollars (\$1,250) for:

(i) Dependent or neglected child cases, for all post-dispositional proceedings, including foster care review board hearings, post-dispositional court reviews and permanency hearings;

(ii) Guardian ad litem representation in accordance with section 1(d)(2)(C) for a child or sibling group who is or may be the subject of a report of abuse or neglect or an investigation report under Tennessee Code Annotated sections 37-1-401 through 37-1-411, for all post-dispositional proceedings, including foster care review board hearings, post-dispositional court reviews, and permanency hearings; and

(iii) Counsel appointed pursuant to Tennessee Supreme Court Rule 40(e)(2) and in accordance with section 1(d)(2)(D) for a child or sibling group who is or may be the subject of a report of abuse or neglect or an investigation report under Tennessee Code Annotated sections 37-1-401 through 37-1-411, for all post-dispositional proceedings, including foster care review board hearings, post-dispositional court reviews, and permanency hearings.

(C) One thousand, Two Hundred Fifty dollars (\$1,250) for:

(i) Proceedings against parents in which allegations against the parents could result in termination of parental rights;

(ii) Guardian ad litem representation in termination of parental rights cases in accordance with section 1(d)(2)(D); and

(iii) Counsel appointed pursuant to Tennessee Supreme Court Rule 40(e)(2) and in accordance with section 1(d)(2)(C) for a child or sibling group in termination of parental rights cases;

(e)(1) Notwithstanding the provisions of section (2)(d), an amount in excess of the maximum, subject to the limitations of section (2)(e)(3), may be sought by filing a motion in the court in which representation is provided. The motion shall include specific factual allegations demonstrating that the case is complex or extended. The court shall enter an order which evidences

the action taken on the motion. The following, while neither controlling nor exclusive, indicate the character of reasons that may support a complex or extended certification:

(A) The case involved complex scientific evidence and/or expert testimony;

(B) The case involved multiple defendants and/or numerous witnesses;

(C) The case involved multiple protracted hearings;

(D) The case involved novel and complex legal issues.

(E) If the motion is granted, an order shall be forwarded to the Director of the AOC (herein “director”) certifying the case as complex or extended. The order shall either recite the specific facts supporting the finding or incorporate by reference and attach the motion which includes the specific facts supporting the finding. To qualify for payment under this section, the order certifying the claim as extended or complex must be signed contemporaneously with the court's approval of the claim. *Nunc pro tunc* certification orders are not sufficient to support payment under this section.

(2) All payments under section 2(e)(1) must be submitted to the director for approval. If a payment under section 2(e)(1) is not approved by the director, the director shall transmit the claim to the chief justice for disposition. The determination of the chief justice shall be final.

(3) Upon approval of the complex or extended claim by the director or the chief justice, the following maximum amounts apply:

(A) One thousand dollars (\$1,000) in those categories of cases where the maximum compensation is otherwise five hundred dollars (\$500);

(B) Except as provided in section (2)(e)(3)(D), two thousand dollars (\$2,000) in those categories of cases where the maximum compensation is otherwise one thousand dollars (\$1,000);

(C) Two thousand five hundred dollars (\$2,500) in those categories of cases where the maximum compensation is otherwise one thousand two hundred fifty dollars (\$1,250).

(D) Four thousand dollars (\$4,000) in cases in trial courts in which the defendant is charged with a felony other than first-degree murder or a Class A or B felony; and

(E) Six thousand dollars (\$6,000) in cases in trial courts in which the defendant is charged with first-degree murder or a Class A or B felony. Where the felony charged is first-degree murder, the director may waive the six thousand dollar (\$6,000) maximum if the order demonstrates that extraordinary circumstances exist and failure to waive the maximum would result in undue hardship.

(f) Attorneys shall not be compensated for time associated with traveling to a court in another county for the sole purpose of hand-delivering or filing a document.

(g) Counsel appointed or assigned to represent indigents shall not be paid for any time billed in excess of 2,000 hours per calendar year unless, in the opinion of the Administrative Director, an attorney has made reasonable efforts to comply with this limitation, but has been unable to do so, in whole or in part, due to the attorney's representation pursuant to Section 3 of this Rule. It is the responsibility of private counsel to manage their billable hours in compliance with the annual maximum.

EXPLANATORY COMMENT:

Section 2(b) unequivocally provides that only one attorney will be compensated in non-capital cases. Section 2(c) clarifies that appointed counsel will not be compensated for time spent on Board of Professional Responsibility complaints arising from appointments. Section 2(d) has been reorganized for simplicity and clarity. Compensation rates for counsel appointed in juvenile, dependency and neglect, and termination of parental rights cases are now contained in Section 2(d)(6). Section 2(d)(6) further defines the dispositional and post-dispositional phases at which compensation is appropriate and also compensates attorneys appointed pursuant to Tennessee Supreme Court Rule 40(e)(2). Section 2(d)(2)(G) has been added pursuant to Public Chapter 409 of the 111th General Assembly. A claim in an adoption proceeding is separate from a claim in a termination of parental rights proceeding, even if the court appoints the same guardian ad litem in the adoption proceeding. Section 2(e)(1) further delineates the procedure and factors supporting certification of a case as complex or extended, including the mandatory requirement that the order certifying the claim be submitted to the AOC contemporaneously with the claim requesting complex or extended compensation. Section 2(e)(2) reiterates that approval of the director or the chief justice is required and that the determination of the chief justice is final. Section 6 of this rule sets out in more detail the claims review process. Section 2(e)(3)(A)-(D) has been revised to simplify and clarify the language. Section 2(e)(3)(D) has been revised to limit waiver of the \$4,000 maximum to first-degree murder cases, rather than all homicide cases. Section 2(f) precludes compensating attorneys for time spent traveling to and from a clerk's office in another county for the sole purpose of hand-delivering or filing documents.

Section 3. Minimum qualifications and compensation of counsel in capital cases.

(a) For purposes of this rule, a capital case is a case in which a defendant has been charged with first-degree murder and a notice of intent to seek the death penalty, as provided in Tennessee Code Annotated section 39-13-208 and Tennessee Rule of Criminal Procedure 12.3(b), has been filed and no order withdrawing the notice has been filed. Non-capital compensation rates apply to services rendered by appointed counsel after the date the notice of intent to seek the death penalty is withdrawn.

(b)(1) The court shall appoint two attorneys to represent a defendant at trial in a capital case. Both attorneys appointed must be licensed in Tennessee and have significant experience in Tennessee criminal trial practice, unless in the sound discretion of the trial court, appointment of one attorney admitted under Tennessee Supreme Court Rule 19 is appropriate. The appointment order shall specify which attorney is "lead counsel" and which attorney is "co-counsel." Whenever possible, a public defender shall serve as and be designated "lead counsel."

(2) If the notice of intent to seek the death penalty is withdrawn at least thirty (30) days prior to trial, the trial court shall enter an order relieving one of the attorneys previously appointed. In these circumstances, the trial court may grant the defendant, upon motion, a reasonable continuance of the trial.

(3) If the notice is withdrawn less than thirty (30) days prior to trial, the trial court may either enter an order authorizing the two attorneys previously appointed to remain on the case for the duration of the present trial, or enter an order relieving one of the attorneys previously appointed and granting the defendant, upon motion, a reasonable continuance of the trial.

(c) Lead counsel must:

(1) be a member in good standing of the Tennessee bar or be admitted to practice *pro hac vice*;

(2) have regularly participated in criminal jury trials for at least five years;

(3) have completed, prior to the appointment, a minimum of six (6) hours of specialized training in the defense of defendants charged with a capital offense; and, complete a minimum of six (6) hours of specialized training in the defense of defendants charged with a capital offense every two years thereafter;

(4) have at least one of the following:

(A) experience as lead counsel in the jury trial of at least one capital case;

(B) experience as co-counsel in the trial of at least two capital cases;

(C) experience as co-counsel in the trial of a capital case and experience as lead or sole counsel in the jury trial of at least one murder case;

(D) experience as lead counsel or sole counsel in at least three murder jury trials or one murder jury trial and three felony jury trials; or

(E) experience as a judge in the jury trial of at least one capital case.

(5) The provisions of this subsection requiring lead counsel to have participated in criminal jury trials for at least five years, rather than three years, and requiring six (6) hours of specialized training shall become effective January 1, 2006.

(d) Co-counsel must:

(1) be a member in good standing of the Tennessee bar or be admitted to practice *pro hac vice*;

(2) have completed, prior to the appointment, a minimum of six (6) hours of specialized training in the defense of defendants charged with a capital offense; and, complete a minimum of six (6) hours of specialized training in the defense of defendants charged with a capital offense every two years thereafter;

(3) have at least one of the following qualifications:

(A) qualify as lead counsel under (c) above; or

(B) have experience as sole counsel, lead counsel, or co-counsel in a murder jury trial.

(4) The provisions of this subsection requiring six (6) hours of specialized training shall become effective January 1, 2006.

(e) Attorneys who represent the defendant in the trial court in a capital case may be designated to represent the defendant on direct appeal, provided at least one trial attorney qualifies as new appellate counsel under section 3(g) of this rule and both attorneys are available for appointment. However, new counsel will be appointed to represent the defendant if the trial court, or the court in which the case is pending, determines that appointment of new counsel is necessary to provide the defendant with effective assistance of counsel or that the best interest of the defendant requires appointment of new counsel.

(f) If new counsel are appointed to represent the defendant on direct appeal, both attorneys appointed must be licensed in Tennessee, unless in the sound discretion of the judge, appointment of one attorney admitted under Tennessee Supreme Court Rule 19 is appropriate.

(g) Appointed counsel on direct appeal, regardless of any prior representation of the defendant, must have three years of litigation experience in criminal trials and appeals, and they must have at least one of the two following requirements: experience as counsel of record in the appeal of a capital case; or experience as counsel of record in the appeal of at least three felony convictions within the past three years and a minimum of six hours of specialized training in the trial and appeal of capital cases.

(h) Counsel eligible to be appointed as post-conviction counsel in capital cases must have the same qualifications as appointed appellate counsel, or have trial and appellate experience as counsel of record in state post-conviction proceedings in three felony cases, two homicide cases, or one capital case. Counsel also must have a working knowledge of federal *habeas corpus* practice, which may be satisfied by six hours of specialized training in the representation in federal courts of defendants under the sentence of death imposed in state courts; and they must not have previously represented the defendant at trial or on direct appeal in the case for which the appointment is made, unless the defendant and counsel expressly consent to continued representation.

(i) No more than two attorneys shall be appointed to represent a death-row inmate in a proceeding regarding competency for execution. See *Van Tran v. State*, 6 S.W.3d 257 (Tenn. 1999). At least one of the attorneys appointed shall be qualified as post-conviction counsel as set forth in section 3(h).

(j) Appointed counsel in capital cases, other than public defenders, shall be entitled to reasonable compensation as determined by the court in which such services are rendered, subject to the limitations of this rule, which limitations are declared to be reasonable. Compensation shall be limited to the two attorneys actually appointed in the case. Appointed counsel in a capital case shall submit claims in accordance with Section 6 of this rule.

(k) Hourly rates for appointed counsel in capital cases shall be as follows:

(1) Lead counsel (\$100);

(2) Co-counsel (\$80);

(3) Post-conviction counsel (\$80);

(4) Counsel appointed pursuant to section 3(i) (\$80)

(l) For purposes of this rule, the hourly rate includes time reasonably spent preparing the case and time reasonably spent before a judge on the case to which the attorney has been appointed to represent the indigent party.

(m) Attorneys shall not be compensated for time associated with traveling to a court in another county for the sole purpose of hand-delivering or filing a document.

EXPLANATORY COMMENT:

Section 3(a) clarifies that even if a trial court allows two appointed attorneys to remain on a case, under Section 3(b)(3), after a notice of intent to seek the death penalty is withdrawn, counsel will be compensated at non-capital rates for services rendered after the date the notice is withdrawn. Section 3(b)(1) has been revised to require that the appointment order must specify lead and co-counsel and that the public defender must serve and be designated lead counsel whenever possible. Section 3(b)(2) & (3) previously appeared as Section 3(l) of Rule 13. Section 3 now permits former prosecutors and judges with appropriate experience to be appointed counsel in capital cases. Section 3(c)(2) has been revised to require five years participation in criminal jury trials, rather than three years representation of defendants in criminal jury trials. Section 3(c)(3) has been revised to enhance the educational requirements for appointed counsel. Section 3(c)(4)(E) has been revised to include an experience requirement applicable only to former judges. Section 3(i) has been revised to clarify that its scope is limited to affording compensation to appointed counsel in a proceeding challenging the inmate's competency to be executed. Section 3(k)(7) provides that attorneys appointed in competency proceedings will be compensated at the same \$80 rate applicable in other capital post-conviction proceedings. Section 3(l) clarifies that appointed counsel will not be compensated for time spent defending against a Board of Professional Responsibility action that arises from the appointment. Section 3(m) precludes compensating attorneys for time spent driving to and from a clerk's office in another

Section 4. Payment of expenses incident to representation.

(a)(1) Appointed counsel, experts, and investigators may be reimbursed for certain necessary expenses directly related to the representation of indigent parties.

(2) The services or time of a paralegal, law clerk, secretary, legal assistant, or other administrative assistants shall not be reimbursed. Normal overhead expenses also shall not be reimbursed.

(3) The following expenses will be reimbursed without prior approval if reasonably necessary to the representation of the indigent party:

(A) *Long distance telephone charges*, if supported by a log showing the date of the call, the person or office called, the purpose of the call, and the duration of the call stated in one-tenth (1/10) hour segments;

(B) *Mileage* for travel within the state in accordance with Judicial Department travel regulations, if supported by a log showing the mileage, the purpose of the travel, and the origination and destination cities;

(C) *Lodging* where an overnight stay is required at actual costs, if supported by a receipt, not to exceed the current authorized executive branch rates;

For in-state rates:

www.state.tn.us/finance/act/travel.html

For out-of-state rates:

www.state.tn.us/finance/act/policy.html

(D) *Meals* in accordance with the Judicial Department travel regulations if supported by a receipt, where an overnight stay is required;

(E) *Parking* at actual costs up to ten dollars per day if supported by a receipt;

(F) *Photocopying--Black and White Copies--*

(i) In-house copying at a rate not to exceed seven cents (\$0.07) per page;

(ii) Actual cost of outsourced copying if supported by a receipt, at a rate not to exceed ten cents (\$0.10) per page;

(iii) Actual cost of providing to client a copy of appellate briefs and opinion.

(iv) The cost of providing to the indigent party a copy of the court file or transcript will not be reimbursed once the appeal is complete because the original file and transcript belong to the client.

(v) Prior approval of the court and the director is required if an attorney, expert, or investigator anticipates that total copying costs will exceed \$500.

(G) *Photocopying--Color Copies--*

(i) In-house color copying at a rate not to exceed one dollar (\$1.00) per page;

(ii) Actual cost of outsourced color copies at a rate not to exceed \$1.00 per page if supported by a receipt;

(iii) Prior approval of the court and the director is required if an attorney, expert, or investigator anticipates that total copying costs will exceed \$500.

(H) *Computerized Research* at actual cost for case-related legal and internet research if supported by receipts. If actual costs are not incurred, compensation will be limited to time spent conducting the search. Pro rata cost of subscription[s] will not be paid.

(I) *Miscellaneous expenses* such as postage, commercial delivery service having computer tracking capacity, film, or printing will be compensated at actual cost, not to exceed the fair and reasonable market value, if accompanied by a receipt. Prior approval of the court and the director is required if an attorney, expert, or investigator anticipates that total miscellaneous expenses will exceed \$250.

(J) Expenses relating to improving the indigent party's appearance, including but not limited to expenses for dental plates, haircuts, clothing and cleaning charges for clothing, are not reimbursable.

(K) *Appellate Record*--Actual expenses for an electronic copy of the appellate record (excluding exhibits) and of any transcripts on appeal purchased from the Appellate Court Clerk's Office, not to exceed \$100.00.

(b) Expenses not listed in section 4(a), including travel outside the state, will be reimbursed only if prior authorization is obtained from the court in which the representation is rendered and prior approval is obtained from the director.

(1) Authorization of expenses shall be sought by motion to the court.

(2) The motion shall include both an itemized statement of the estimated or anticipated costs and specific factual allegations demonstrating that the expenses are directly related to and necessary for the effective representation of the indigent party.

(3) The court shall enter an order that evidences the action taken on the motion. If the motion is granted, the order shall either recite the specific facts demonstrating that the expenses are directly related to and necessary for the effective representation of the indigent party or incorporate by reference and attach the defense motion that includes the specific facts demonstrating that finding.

(4) The order and any attachments shall be submitted to the director for prior approval before any expenses are incurred.

(c) The director is hereby authorized to reimburse the Department of Children's Services at the Judicial Department rate for the expense of transcripts in termination of parental rights appeals without obtaining prior approval by court order in each case.

(d) Foreign Language Interpreters and Translators. The appointment of interpreters and/or translators, and the compensation by the AOC for costs associated with an interpreter's and/or translator's services, are governed by Rule 42, Rules of the Tennessee Supreme Court.

EXPLANATORY COMMENT:

Section 4(a) provides uniform guidelines and certainty as to expenses that will be reimbursed and delineates the documentation that must accompany a claim for reimbursement. Section 4(a)(3) permits reimbursement without prior approval of certain expenses and is intended to eliminate time previously spent by attorneys and judges considering such expenses. Section 4(a)(3)(F)(iv) clarifies that attorneys will not be reimbursed for the costs of copying the record since the record belongs to the indigent party. Section 4(b) delineates the expenses for which prior approval is required and sets out the requirements and procedure for obtaining prior approval. Section 4(b) dispenses with the former requirement that prior approval be obtained from both the director and the chief justice and makes prior approval of the director essential and final. Section 4(d) cross-references Tenn. Sup. Ct. R. 42, which provides the mechanism and method for compensating foreign language interpreters and translators.

Section 5. Experts, investigators, and other support services.

(a)(1) In the trial and direct appeal of all criminal cases in which the defendant is entitled to appointed counsel in the trial and appeals of post-conviction proceedings in capital cases involving indigent petitioners, and in juvenile transfer proceedings, the court, in an *ex parte* hearing, may in its discretion determine that investigative or expert services or other similar services are necessary to ensure that the constitutional rights of the defendant are properly protected. If such determination is made, the court may grant prior authorization for these necessary services in a reasonable amount to be determined by the court. The authorization shall be evidenced by a signed order of the court. The order shall provide for the payment or reimbursement of reasonable and necessary expenses by the director. See Tenn. Code Ann. § 40-14-207(b); *State v. Barnett*, 909 S.W.2d 423 (Tenn. 1995); *Owens v. State*, 908 S.W.2d 923 (Tenn. 1995).

(2) In non-capital post-conviction proceedings, funding for investigative, expert, or other similar services shall not be authorized or approved. See *Davis v. State*, 912 S.W.2d 689 (Tenn. 1995).

(b)(1) Every effort shall be made to obtain the services of a person or entity whose primary office of business is within 150 miles of the court where the case is pending. If the person or entity proposed to provide the service is not located within the 150-mile radius, the motion shall explain the efforts made to obtain the services of a provider within the 150-mile radius.

(2) Any motion seeking funding for expert or similar services shall itemize:

(A) the nature of the services requested;

(B) the name, address, qualifications, and licensure status, as evidenced by a curriculum vitae or resume, of the person or entity proposed to provide the services;

(C) the means, date, time, and location at which the services are to be provided; and

(D) a statement of the itemized costs of the services, including the hourly rate, and the amount of any expected additional or incidental costs.

(3) Any motion seeking funding for investigative or other similar services shall itemize:

(A) the type of investigation to be conducted;

(B) the specific facts that suggest the investigation likely will result in admissible evidence;

(C) an itemized list of anticipated expenses for the investigation;

(D) the name and address of the person or entity proposed to provide the services; and

(E) a statement indicating whether the person satisfies the licensure requirement of this rule.

(4) If a motion satisfies these threshold requirements, the trial court must conduct an *ex parte* hearing on the motion and determine if the requested services are necessary to ensure the protection of the defendant's constitutional rights.

(c)(1) Funding shall be authorized only if, after conducting a hearing on the motion, the court determines that there is a particularized need for the requested services and that the hourly rate charged for the services is reasonable in that it is comparable to rates charged for similar services.

(2) Particularized need in the context of criminal trials and appeals is established when a defendant shows by reference to the particular facts and circumstances that the requested services relate to a matter that, considering the inculpatory evidence, is likely to be a significant issue in the defense at trial and that the requested services are necessary to protect the defendant's right to a fair trial. See *Barnett*, 909 S.W.2d at 423.

(3) Particularized need in the context of capital post-conviction proceedings is established when a petitioner shows, by reference to the particular facts and circumstances of the petitioner's case, that the services are necessary to establish a ground for post-conviction relief and that the petitioner will be unable to establish that ground for post-conviction relief by other available evidence. See *Owens*, 908 S.W.2d at 928.

(4) Particularized need cannot be established and funding requests should be denied where the motion contains only:

(A) undeveloped or conclusory assertions that such services would be beneficial;

(B) assertions establishing only the mere hope or suspicion that favorable evidence may be obtained;

(C) information indicating that the requested services relate to factual issues or matters within the province and understanding of the jury; or

(D) information indicating that the requested services fall within the capability and expertise of appointed counsel. See, e.g., *Barnett*, 909 S.W.2d at 430; *Caldwell v. Mississippi*, 472 U.S. 320, 323 n.1 (1985); *State v. Abraham*, 451 S.E.2d 131, 149 (N.C. 1994).

(d)(1) The director and/or the chief justice shall maintain uniformity as to the rates paid individuals or entities for services provided to indigent parties. Appointed counsel shall make every effort to obtain individuals or entities who are willing to provide services at an hourly rate less than the maximum. Although not an exclusive listing, compensation for individuals or entities providing the following services shall not exceed the following maximum hourly rates:

(A) Accident Reconstruction	\$115.00
(B) Medical Services/Doctors	\$250.00
(C) Psychiatrists	\$250.00
(D) Psychologists	\$150.00
(E) Investigators (Guilt/Sentencing)	\$ 50.00
(F) Mitigation Specialist	\$ 65.00
(G) DNA Expert	\$200.00
(H) Forensic Anthropologist	\$125.00
(I) Ballistics Expert	\$ 75.00
(J) Fingerprint Expert	\$ 75.00
(K) Handwriting Expert	\$ 75.00

(2) For persons or entities compensated at a rate of one hundred dollars (\$100) per hour or more, time spent traveling shall be compensated at no greater than fifty percent (50%) of the approved hourly rate.

(3) Investigators shall not be compensated unless licensed by the Private Investigation and Polygraph Commission of Tennessee or exempted from this licensure requirement, except when an investigator licensed in another state is authorized by a court in Tennessee to conduct an investigation in that other state.

(4) In a post-conviction capital case, a trial court shall not authorize more than a total of \$20,000 for *all* investigative services, unless in its sound discretion the trial court determines that extraordinary circumstances exist that have been proven by clear and convincing evidence.

- (5) In a post-conviction capital case, a trial court shall not authorize more than *a total of* \$25,000 for the services of *all* experts unless in its sound discretion the trial court determines that extraordinary circumstances exist that have been proven by clear and convincing evidence.
- (6) Expenses shall not be authorized or approved for expert tests or expert services if the results or testimony generated from such tests or services will not be admissible as evidence.
- (e)(1) If the requirements of sections 5(c) and (d) are satisfied and the motion is granted, the authorization shall be evidenced by a signed order of the court. Unless otherwise indicated in the order, the amount authorized includes both fees and necessary expenses under section 4(a).
- (2) The order shall include a finding of particularized need and the specific facts that demonstrate particularized need as well as the information required by section 5(b)(1) or (b)(2).
- (3) The court may satisfy the requirements of subsection (2) above by incorporating and attaching that portion of the defense motion that includes the specific facts supporting the finding of particularized need.
- (4) Once the services are authorized by the court in which the case is pending, the order and any attachments must be submitted in writing to the director for prior approval. Claims for these services may not be submitted electronically.
- (5) If the director denies prior approval of the request, the claim shall also be transmitted to the chief justice for disposition and prior approval. The determination of the chief justice shall be final.

EXPLANATORY COMMENT:

Section 5(a)(1) contains the language that previously appeared as Section 5(a). Section 5(a)(2) unequivocally provides that funding for investigative, expert, or other similar services is not available in non-capital post-conviction proceedings. Section 5(b)(1) explains that counsel must make “every effort” to obtain the services of experts, investigators or others who are located within 150 miles of the court where the case is pending. Section 5(b)(2) delineates the information that must be included in or submitted with a motion requesting funding for expert or similar services. Section 5(b)(3) delineates the information that must be included in or submitted with a motion requesting funding for investigative or similar services. Section 5(c) has been revised for clarity and includes in subsections (c)(1)–(4) definitions of particularized need and the standards governing a trial court’s consideration of funding requests. Section 5(d) has been revised to provide certainty and guidance to attorneys, service providers, and trial courts. Section 5(d)(1) establishes maximum hourly rates for certain services, instructs the director and the chief justice to maintain state-wide uniformity as to the rates paid for services, and directs appointed counsel to seek to retain individuals and/or entities willing to provide services at a rate less than the maximum. Section 5(d)(2) establishes permissible compensation rates for travel for experts paid in excess of \$100 per hour. Section 5(d)(3) establishes the licensure requirements for investigators. Section 5(d)(4) and (5) impose maximum limits on the amounts that may be approved in capital post-conviction proceedings and permit funding in excess of these amounts only upon clear and convincing evidence that extraordinary circumstances exist. Section 5(d)(6) precludes funding for expert tests or services if the results of the tests or the expert’s testimony is per se inadmissible. Section 5(e)(1)–(3) delineates the information that must be included in or attached to orders authorizing funding. Section 5(e)(4)–(5) sets out the procedure that must be followed in obtaining prior approval of the request. Section 5(e)(5) provides that only those claims denied by the director will be submitted to the chief justice for

disposition. This changes prior law which required the chief justice to review every request for funding involving an hourly rate in excess of \$150 or an overall amount in excess of \$5,000, even those requests approved by the director.

Section 6. Review of claims for compensation and reimbursement of expenses.

(a)(1) All claims for attorney compensation and expenses shall be submitted utilizing the system established by the AOC for electronic submission. Claims of four hundred dollars (\$400.00) or more for attorney compensation and expenses shall be electronically submitted, and shall be reviewed and approved by the judge who presided over final disposition of the case prior to payment by the AOC. Electronic claims that total less than four hundred dollars (\$400.00) shall be exempt from the judicial review and approval requirement; such claims, however, shall be subject to the AOC's examination and audit pursuant to this section.

(2) Time spent by counsel on a single case or proceeding shall be included in a single claim for compensation.

(3) Claims shall be supported by a copy of the court order appointing counsel or authorizing the expenditure and, in the case of expenses requiring prior approval, a copy of the approval of the director and/or the chief justice.

(4) Appointed counsel in a capital case shall file interim claims. Interim claims shall be filed at least every 180 days, but no more frequently than every 30 days. Any portion of a claim requesting payment for services rendered more than 180 days prior to the date on which the claim is approved by the court in which the services were rendered shall be deemed waived and shall not be paid. The provisions of this subsection regarding the time frame for submission of claims shall become effective January 1, 2005.

(5) Appointed counsel in non-capital cases are not permitted to file interim claims but shall file claims for compensation no later than 180 days after disposition of the case in each court in which representation is provided. However, claims for the post-dispositional phase of a juvenile dependency and neglect proceeding shall be filed no later than 180 days from the last activity related to the case. Claims for compensation submitted after the 180-day period shall be deemed waived and shall not be paid. The provisions of this subsection regarding the time frame for submission of claims shall become effective January 1, 2005.

(6) Counsel will be held to a high degree of care in the keeping of contemporaneous time records supporting all claims and in the application for payment. Counsel is required to maintain records supporting claims for payment. Failure to provide sufficient specificity in the claim or supporting documentation may constitute grounds for denial of the claim for compensation or reimbursement.

(7) The payment of a claim by the AOC shall not prejudice the AOC's right to object to or question any claim or matter in relation thereto. Claims shall be subject to reduction for amounts included in any claim or payment previously made which are determined by the AOC not to constitute proper remuneration for compensable services. The AOC reserves the right to deduct from claims which are or shall become due and payable any amounts which are or shall become due and payable to the AOC.

(8) As a part of its examination and audit of claims for compensation and reimbursement under this Rule 13, the AOC shall determine from information provided by the Board of Professional Responsibility whether there are unpaid costs

assessed against counsel submitting the claim pursuant to Tenn. Sup. Ct. R. 9, Section 31.3. Claims for compensation and reimbursement under this Rule 13 shall be subject to reduction for any such unpaid costs.

(b)(1) The AOC shall examine and audit all claims for compensation and reimbursement to insure compliance with this rule and other statutory requirements. The AOC may decline to make any payment or decline to continue to accept any assignment should either the attorney or the third-party assignee fail to comply with the requirements of Rule 13 and other statutory requirements.

(2) After such examination and audit and giving due consideration to state revenues, the director shall make a determination as to the compensation and/or reimbursement to be paid and cause payment to be issued in satisfaction thereof.

(3) Payment may be made directly to the person, agency, or entity providing the services.

(4) The determination by the director shall be final, except where review by the chief justice also is required. In those instances, the determination of the chief justice shall be final. The chief justice may designate another justice to perform this function if the chief justice determines that a designation is appropriate or necessary.

(5) If the director denies an attorney's fee claim in whole or substantial part, such denial shall be forwarded to the chief justice for review. The determination of the chief justice shall be final. Reductions made during the process of auditing a fee claim which are due to mathematical miscalculations or result from requests for payments not permitted by this rule shall not be forwarded to the chief justice for review.

(c)(1) Appointed counsel may contract with a third-party agent to prepare and file claims for attorney compensation and expenses; provided, however, that counsel shall remain responsible for all filings and communications in connection with such claims;

(2) Appointed counsel may assign the right to payment of claims for attorney compensation and expenses to a third-party assignee; provided, however, that: (i) counsel electing to assign the right to payment shall assign such right for all subsequent cases in which counsel will present claims for payment pursuant to this rule; and (ii) counsel shall provide adequate written notice to the director of counsel's assignment of the right to payment to the third-party assignee. Such written notice shall not be effective unless submitted on the Uniform Assignment of Payment For Services Due to An Attorney form provided by the administrative office of the courts. Upon receipt of adequate written notice of counsel's assignment, the director shall make subsequent payments of counsel's claims to the third-party assignee. An assignment submitted to the director shall not relieve counsel of the responsibility for the accuracy and timeliness of all filings nor shall it relieve counsel of the responsibility to personally respond to inquiries from the administrative office of the courts in connection with counsel's claims. Counsel's written notice of assignment shall remain in effect until the director receives written notice that counsel revokes the assignment. The third-party assignee shall agree in writing to indemnify and hold the state harmless for all payments made by the administrative office of the courts in good faith and without notification that the assignment has been revoked and shall file such writing with the director.

EXPLANATORY COMMENT:

Section 6(a)(1)-(3) has been revised to clarify the requirements and process for submitting claims for compensation and reimbursement. Section 6(a)(4) mandates that appointed counsel in capital cases file interim claims at least every 180 days but no more frequently than every 30 days and provides that any portion of a claim for services rendered more than 180 days prior to

the date on which the claim is approved by the court will be deemed waived and not paid. The effective date of Section 6(a)(4) is January 1, 2005. Section 6(a)(5) precludes appointed counsel in non-capital cases from filing interim claims for compensation but requires them to submit claims for compensation no later than 180 days after disposition of the case in each court in which representation is provided, with the 180 day period running from the date of the last case-related activity for post-dispositional phases of a dependency and neglect proceeding. Claims for compensation submitted after the 180-day period will be deemed waived and not paid. The effective date of Section 6(a)(5) is January 1, 2005. Section 6(a)(6) provides that counsel will be held to a high degree of care in record keeping and documentation of the claim. Section 6(a)(7) provides that the AOC reserves the right to review claims that come into question even if they have already been paid and establishes that the AOC may recoup any overpayment by setting off the amount of any such overpayment against claims that may be filed. Section 6(b) delineates how claims are audited, approved for payment, and how payments are made. Section 6(b)(4) provides that the determination of the director and/or the chief justice is final. Unlike prior law, Section 6 does not provide for an appeal to the Tennessee Supreme Court from the decision of the director or the chief justice. Section 6(b)(4) also provides that the chief justice may designate another justice to review these claims if the chief justice determines that designation is appropriate or necessary. Section 6(b)(5) sets out those instances where an attorney may appeal the director's decisions to the chief justice.

Section 7. Contracts for Indigent Representation.

In addition and as an alternative to the procedures for appointment and compensation of court-appointed counsel for services described above, the Administrative Director is authorized to enter into agreements with attorneys, law firms, or associations of attorneys to provide legal services for a fee to indigent persons in: (1) emergency involuntary judicial hospitalization actions brought pursuant to Tenn. Code Ann. Title 33, Chapter 6, Part 4; (2) Title IV-D child support enforcement proceedings brought pursuant to Tenn. Code Ann. Title 36, Chapter 5; and (3) cases under Titles 36 and 37 of the Tennessee Code Annotated involving allegations against parents that could result in finding a child dependent or neglected or in terminating parental rights. Such contracts may establish a fixed fee for representation in a specified number and type of cases; provided, however, that any such fixed fee shall not exceed the rates specified in Section 2.

Any such contracts for indigent representation shall be awarded based on an evaluation to determine the quality of representation to be provided, including the ability of attorneys making proposals to exercise independent judgment on behalf of each client, and to maintain workload rates that allow for attorneys to devote adequate time to each client covered by such contracts.

Attorneys providing legal services pursuant to contracts entered into pursuant to this Section shall be appointed to represent all indigent defendants in these cases unless such representation is otherwise prohibited by the Rules of Professional Conduct. *See* Tenn. Sup. Ct. R. 8. In any such case, the court shall appoint qualified counsel pursuant to the provisions of Section 1 of this rule.

The Administrative Director shall prescribe adequate procedures to ensure compliance with the terms of such contracts and shall report to the Court annually on the effectiveness of the contract process for the provision of indigent representation.

EX PARTE, SEALED MOTION FOR FUNDS TO HIRE THE SERVICES OF PRIVATE INVESTIGATOR

Comes now the defendant, _____, by and through his counsel of record, _____, and moves this Honorable Court for the assistance of an investigator in his/her defense, pursuant to *Tenn. Sup. Ct. R. 13(5)*¹, and for an *ex parte* Order providing funds for such expert services up to the amount of \$ _____, plus mileage and reasonable expenses, based on the following:

This motion is made pursuant to the Fifth, Sixth, Eighth and Fourteenth Amendments to the U.S. Constitution, Article I, section 9 and Article XI, section 16 of the Tennessee Constitution, and Ake vs. Oklahoma, 470 U.S. 68, 105 S. Ct. 1087, 84 L.Ed.2d 53 (1985).

The Defendant is charged in Case Number _____ with:

(1) one count of _____ (Class ____);

and Case Number _____ with:

(1) one count of _____ (Class ____).

¹ For post-conviction cases, please review Rule 13, section (5)(a) and include language notifying the Court

The defendant has heretofore been declared indigent within the meaning of the law and does not have the ability to retain an attorney nor funds to obtain the assistance of a fact investigator in his/her defense.

For counsel to meet the constitutional standard for effective assistance, the defendant requests that the Court authorize funds to hire a fact investigator to conduct a fact investigation in this case.² The defendant maintains that his/her court-appointed attorney is a solo practitioner and cannot adequately investigate, establish and present all possible defenses to the charges brought against him without the assistance of a professional, licensed and experienced private investigator. The defendant requires such expert services to conduct a thorough investigation into the facts of the case.

The defendant contends that the very purpose for providing funds for such assistance is to allow the indigent defendant in a criminal prosecution the resources needed for an adequate defense or appeal in similar measure to those tools available to other defendants who are able to pay for such services.³

The investigation will necessarily include a complete review of all materials produced in the discovery by the District Attorney General; review and analysis of all police reports, verifying defendant's version of events during the applicable time period and discrediting the version of events set forth by the State's witnesses; developing additional witnesses to support the defense, developing circumstantial evidence indicative of the defendant's innocence; conducting a complete background investigation of the defendant and all other parties allegedly involved in the crime; determining the veracity of witnesses; examining the forensic reports provided by the prosecution; coordinating all materials in an easily understandable and

accessible form, and other inquiries and determination as they are identified in the investigatory phase of the case. [As to the specific facts of this case, many, if not all, of the tasks itemized on Exhibit A, attached hereto, need to be completed in this case.]

The specific facts of this case that suggest the investigation likely will result in admissible evidence, supporting a finding of particularized need, are:

Further, [****example language:** the State has or will provided the names of _____ witnesses pertaining to this case. The defendant submits that it will be necessary to locate and interview these witnesses and to seek out other witnesses not listed on the indictment who have direct knowledge of this case. The state has or will also provide an unknown number of CD's and DVD's of crime scene photos, witness statements and other evidence related to this case.

Or - The State of Tennessee has filed a motion of intent to seek a sentence of life without the possibility of parole in this case.

Or - other language in support of the request.]

Given the aforesaid facts and circumstances of this case, and pursuant to *Tenn. Sup. Ct. R. 13, Section 5*, the Defendant has a particularized need for the state-funded investigative services, in that the requested services relate to a matter that, considering the inculpatory evidence, is likely to be a significant issue in the defense at trial, and such services are necessary to protect Defendant's right to a fair trial. The defendant contends the aforesaid demonstrates

the necessity of expert assistance which would be material assistance to the establishment of his defense theory.⁴

The name, address and phone number of the investigator and/or investigative agency is: _____ located at _____; phone number: _____; email _____. Investigators licensed under this agency may be utilized in this investigation. This investigator is located within 150 miles of the court and meets licensure requirements, as evidenced by the curriculum vitae or resume which has been provided to the Court or is attached hereto as an exhibit.

WHEREFORE, the defendant, _____, moves this Honorable Court to enter an Order granting him/her the funds sufficient for the performance of ____ hours of service, at the hourly rate of fifty dollars (\$50.00), plus anticipated necessary or incidental costs, in an amount not to exceed _____ Dollars (\$____.00) without additional court approval for a private investigator, to wit: _____ located at _____ for the reasons set forth in the premises of this motion.

FURTHER, Defendant moves the Court to authorize the said investigator and/or investigative agency to submit periodic vouchers for approval and payment for services by the Administrative Office of the Supreme Court. This is appropriate given the potential substantial period of time that may occur between the beginning of providing services and the conclusion of this case.

CASE NO. _____

EX PARTE, SEALED ORDER FOR INVESTIGATIVE SERVICES

This cause came before this Court upon the Defendant's *Ex Parte* Motion for Investigative Services, filed under seal, pursuant to Tennessee Supreme Court Rule 13, Section 5, by and through the undersigned attorney of record for funding to hire a fact investigator in this case.

After consideration of counsel's motion, the Court makes the following FINDINGS:

5. Defendant has adequately established a particularized need for the state-funded investigative services and has demonstrated before trial the necessity of expert assistance upon an

issue likely to be significant at trial; therefore, said investigative services are necessary to establish Defendant's defense theory and to protect Defendant's right to a fair trial.

6. The specific facts that demonstrate particularized need have been set forth in Defendant's motion for funds filed under seal in this matter, to which reference is made, which are incorporated herein by reference.

8. _____, located at _____, which is within 150 miles of the court, is willing to conduct the investigative tasks in this case for an hourly rate of \$50.00. This hourly rate is reasonable for the services being provided.

9. The Court further finds that a request of \$_____, equal to _____ hours of work to conduct the investigative tasks listed, is reasonable as well.

It is therefore **ORDERED, ADJUDGED AND DECREED** that in order to ensure that the constitutional rights of the defendant are properly protected, Defendant shall be granted the following:

1. Pursuant to Tennessee Supreme Court Rule 13, Section 5, Defendant is authorized to obtain the investigative services of _____, under the direction of _____, its affiliated investigators and licensed associates, with its primary place of business located at _____, which is within 150-miles of this Court.

As the Defendant has been declared indigent, the Administrative Director of the Tennessee Supreme Court shall be responsible for payment and reimbursement of the aforesaid reasonable and necessary fees and expenses.
5. A copy of the approved Order may be provided to the said investigator.

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the underlying motion and this Order shall be kept under seal until further orders of the court, as justice requires.

Total amount requested is \$ [Redacted] 00.

As grounds for the Motion, counsel would state and show that his representation was extended and complex, as it involved detailed matters of law. Counsel would state and show that the defense involved extensive research with respect various areas of law as well as extensive court appearances on bond matters in this case. More specifically, counsel for the Defendant:

1. Counsel was appointed on [Redacted], roughly 3 weeks shy of two years. This was after the Public Defender's Office withdrew from representation.
2. Thoroughly reviewed extensive written and electronic discovery provided by the state in this case.
3. Counsel had a 3.5 DAY JURY TRIAL on charges of First Degree Premeditated Murder and Aggravated Assault.

4. Researched and drafted motions, including multiple bond motions.
5. Met with the client numerous times in person and over the phone to discuss the case.
6. The case ultimately settled in a verdict of lesser included offenses of 2nd Degree Murder and Reckless Aggravated Assault.

Counsel for the Defendant would state that certification to the Director of the Administrative Office of the Courts that the above referenced case required extended and/or complex representation and certification that an amount in excess of the maximum amount allowed by Tennessee Supreme Court Rule 13, Section (2)(d), is necessary to provide reasonable compensation to counsel.

Based upon the foregoing, counsel for the Defendant, [REDACTED], respectfully moves this Honorable Court to certify that the above referenced case required extended and complex representation and further requests this Honorable Court to order the Director of the Administrative Office of the Courts to pay the accompanying Claim for Attorney Fees* regarding representation in the above referenced case.

**ORDER CERTIFYING THE REPRESENTATION IN THE ABOVE REFERENCED
MATTER AS BEING EXTENDED AND COMPLEX-FIRST DEGREE MURDER CASE**

This matter came on to be heard upon Motion of counsel for the Defendant for the Court to exceed the statutory cap in this matter and certify the representation in the above referenced matter to be extended and complex pursuant to Tennessee Supreme Court Rule 13, Section (2)(e). Based upon the Motion of counsel and based upon the entire record in this cause, including the Claim for Attorney Fees filed by counsel for the Defendant, the Court finds that the Motion is well taken and is pleased to grant the same. The Court further finds that counsel's representation was extended and complex as it involved detailed matters of law related to various issues and motions on a FIRST DEGREE MURDER CASE and Aggravated Assault case covering almost 2 years and multiple motions for bond revocations and reinstatements and a 3.5 day jury trial. The FIRST DEGREE MURDER charge ultimately resulted in a verdict of Second Degree Murder and Reckless Aggravated Assault. The defense involved extensive research and appearance in court with respect to the aforementioned charges.

It is, therefore, **ORDERED, ADJUDGED and DECREED** that the representation in the above referenced case is hereby certified as extended and complex pursuant to Tennessee Supreme Court Rule 13 and it is further **ORDERED, ADJUDGED and DECREED** that the Administrative Director of the Courts provide reasonable compensation to appointed counsel totaling \$ [REDACTED] and calculated in counsel's Claim for Attorney Fees.
